INeuron.ai

❖ This is the First page which will be shown on the window,in which 2 option will be shown such as About section and Mushroom classification

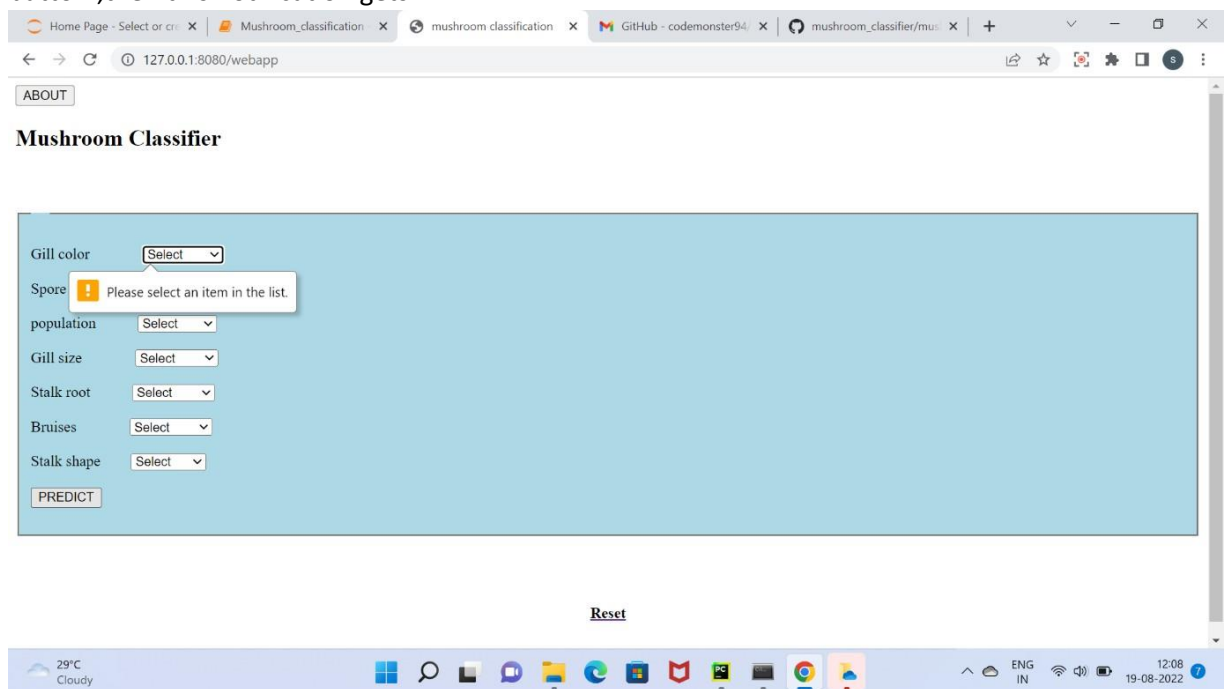

❖ If someone click on the About section ,then brief description will be shown of the selected topic

❖ If someone click on the Mushroom classification option then certain option will be shown that need to be filled.

❖ If someone does not specify all the necessary things asked but presses the 'predict button',then this notification gets.

❖ After giving all the necessary details if you will click on the predict button ,then this interface will be getting at the window ,whether the mushroom is edible or poisonous

# Thanks
